East Kilbride Camera Club - General Information

About

We are a group of photographers from various backgrounds, with differing levels of photographic experience, knowledge, ability and skill.

We meet weekly during the Club season (September – April) in order to share our enthusiasm and skill and to improve our photographic craft. Meetings may be presentations, workshops or competitions.

We are a very friendly club, and extend a warm welcome to all who are thinking of joining us. If you wish to find out more about the Club please contact us via the website.

Events and Outings

We arrange many trips throughout the season - whatever the trip, these are highlights of the calendar at East Kilbride Camera Club.

2023 - 2024 Season

In winter we had a trip up north to capture some stunning scenery, most notable Corpach where we photographed the famous shipwreck.

In the spring we visited Eskrigg Nature Reserve in Lockerbie where a group of our members enjoyed a fun morning and afternoon capturing images of the red squirrels and their antics. We also visited Moffatt, where we had a wander round their community nature reserve which has many smaller hides, there is also a few ponds, which in summer offer the photographer the chance to capture images of dragon and damsel flies.

We also took a trip to the Red Kite Centre, Laurieston, this produced some stunning shots of these fantastic creatures, we hope to visit again soon.

The Isle of May was a fantastic outing where around 20 members embarked the May Princess, to the Isle of May where we witnessed and captured some wonderful images of the majesty, of some of the quarter of a million or so birds that visit and breed at this most breath-taking of sights.

Location and Monday Evenings

East Kilbride Camera Club meets in **East Kilbride (Calderglen) Sports Club, Strathaven Road, G75 0QZ** at **7.30pm on Monday evenings** and last until around 9.30pm, depending on what is happening at a particular meeting, it may last a little longer than this. There is a tea break during the meeting when light refreshments are provided.

Training Nights

It is our intention to continue with the Thursday evening training nights that we trialled in 2024/25. Full details will be presented at the opening night - the 2nd September 24. These evenings are included in the membership fee.
